Dear Sir/Madam

**Town and Country Planning Act 1990**

Infilling of slurry pit and regrading of adjacent land with inert waste material.  
Brede Barn Farm, Brede Lane, Sedlescombe

I write to confirm that the Service Manager - Strategy and Planning, in exercise of his delegated authority on behalf of this Council, raises no objections to the above proposal subject to the following:

Additional landscaping comprising a tree screen or hedging along the southern boundary should be secured via condition of any forthcoming planning permission in order to ensure the storage use of the restored land does not result in harm to the landscape of the AONB.

The lorry movements and type of waste should be monitored and controlled by the county Planning Authority.

The satisfactory completion of restoration measures in accordance with the scheme to be agreed with the County Planning Authority.

Yours faithfully

Service Manager - Strategy and Planning
